

# WHO'S BACKING YOU UP?

Advisors who work with LPL Financial know they are backed by something big. They have the confidence that comes from knowing they have the tools, the resources and the strength behind them to tackle their clients' biggest retirement plan challenges.

LPL advisors know we don't sit on the sidelines. We take an active role in helping to shape the retirement plan industry through participation in industry groups and effective interaction with those who make the rules. Always at the forefront of these efforts is our profound commitment to ensuring the best interests of our advisors and the clients we serve. As an LPL advisor, you can bring that level of confidence into prospect meetings.

**LET LPL STAND BEHIND YOU.**
